Production of 1947

Directed By-

The lights flash across the set, the script girl settles comfortably into her chair, and the greatest factor of the production, the director takes his place in a prominent spot. Throughout the numerous scenes, his hands express his commands. A stop signal, a summons to draw nearer for a short consultation, advice, guidance, teaching, all comes from the master director himself.

Actors, technicians, and each one concerned with the production keep their eyes focused on the director, following every instruction carefully for full assurance of a perfect scene every time.

President J. Walter Malone has completed his second year at the helm of James Millikin University. He has successfully guided Millikin through its first post war years and has added a great deal to the friendly atmosphere of the campus.

DR. RAYMOND R. BREWER
Director of Admissions

DEAN C. L. MILLER

RUTH A. MAXWELL
Dean of Women

The administrative heads of James Millikin University have completed another successful and busy year. Their responsibilities have been that of planning and arranging for the increased student enrollment, changes in the currculum, and all of the post war needs during our transitional period at Millikin.

Dorothy McClure - Director of
Women's Physical Education

The 1947 Millidek editorial and business staffs are happy to dedicate this annual to Dorothy McClure, who has been head of the Women's Athletic Department at Millikin for eleven years. "Dor," as she is known to the students, graduated in 1929 from the University of Illinois where she received her B.S. degree in physical education. She also obtained her M.A. degree through graduate work at Columbia.

Miss McClure's accomplishments in the physical education department have been many in that she has been successful in the instigation of a well rounded and organized sports program for women students. Her interest in sports as a method of clean competition, respect for opponents' abilities, and in general team spirit have done much to strengthen the Women's Athletic Association to which she is adviser. "Dor's" belief that every girl, even those not outstanding in athletics, should have equal opportunity to participate in all sports, is responsible for the point system used to record participation so that each girl has the same chance to win her numerals, letter, etc. This cumulative method of obtaining points has caused a great deal of active interest in playing and studying techniques and regulations of various beneficial sports for women. Proof of this is the extensive growth of W. A. A. to over 150 members in the past few years. With high group spirit "Dor" has been able to arrange competition with other schools and tournaments in which Millikin girls have exhibited the fine sportsmanship and clean play which has become a part of the women's physical education curricula at Millikin.

In addition to the teaching of physical education and related courses "Dor" taught first aid to 1200 air cadets during the war and has served as adviser to the Red Cross College Unit. Student vote has repeatedly elected her to advise the student council for several years in succession. The many summers of camp work and her association with young people at Millikin have made Miss McClure a very capable guide and friend to all of the student body. Physical development and learning to work as a unit for a common purpose will help many of us in the future, thus we appreciate the work of Miss McClure.

Starring

The Senior Class undoubtedly has taken top billing on the program of this production, but there are also countless feature players. Important as the stars are, there are the understudies, carefully going over the lines, ready to step into the leading roles.

But the stars! Can you help but admire them? Even wishing a little, perhaps, that you were in their place. They've reached the top rung of the ladder and surely they are deserving of it. Ability to take and follow directions and that all important factor of studying their parts has led them to the pinnacle of success. We can only hope to fill their footsteps worthily.

The Classes ★ ★ ★

From little green ribbons to black senior gowns, our college life follows a definite course. Class advancement is the one complete fulfillment of the prophecy—"and the humble shall be exalted."

Theater Guilds

The stars relax and work their excess energy into clubs, music groups, entertainment committees, and other forms of activities which are extracurricular to their main profession.

These activities are many and demanding but the stars find themselves unselfishly concerned with the progress of their particular circle and it is no wonder that the sparkle of their achievements in this outside field rivals their prowess in their working field.

★ ★ ★

Who's Who

What's a group of stars, great though they may be, without an index of the very top of the profession? Our list of the top box office favorites of the year follows here.

STUDENT COUNCIL

The Student Council has completed its first year under the new constitution. Under this new plan, representation is no longer by classes but by organizations.

One of the main projects of the council has been the promotion of the new student union. If the work bears fruit and the union is a success, it will mean greater recreational facilities for J$ M$ U$ students in the future.

The council is to be commended for its excellent student variety show which was presented in January. This indubitably proved that students are willing and able to provide first class entertainment. Perhaps this will blaze the way for allowance of greater student participation in assemblies.

A badly needed steel file and other necessary equipment was purchased by the council.

The W.S.S.F. Drive, election of class officers, appointment of Decaturian and Millidek editors, appointment of Chapel Committee, assisting in choosing Who's Who, and conducting a Christmas drive for needy families, were all projects of the Student Council.

Orchids to this fine group in their fight for progressive betterment for the student body of J. M. U.

CHAPEL COMMITTEE

President ....PAT PATRICK
Vice-President ....NORMAN LAWS
Secretary-Treasurer ....ELSIE BRANOM
Faculty Advisors.........DR. MALONE and DR. BREWER

The Chapel Committee has many fine achievements to look back on at the end of this year as a result of the fine cooperation of its members, and their enthusiastic efforts to achieve the goals of the committee. The goals were: to promote Christian spirit on the campus, and to urge the students to take an active part in religious affairs by placing before them suggestions and reminders of such affairs.

The "Go to Church Promotion Committee" was headed by Beverly Woare, of the Chapel Committee, and is responsible for the display of religious books and pamphlets concerning the various churches in Decatur. Also a map showing the location of all churches in Decatur was shown on the table in the library study room.

It was also the work of the committee which resulted in the hanging of a bulletin board outside Dr. Malone's office for the special purpose of posting information about various activities in the churches from time to time.

Besides these two accomplishments, the Chapel Committee also secured two plans to be used as decorations on the stage for chapel programs, members of the committee worked with faculty members to provide Christmas music during the week before Christmas vacation, also. Marian Menk was in charge of Religious Emphasis Week this year with Dr. Luther Stein as the speaker and the traditional May breakfast was given.

This year the committee tried something which had never been done before, but which was felt to be an appropriate project for such a group. The plan was to take students of the university out to various churches in the small towns near Decatur, and conduct morning or evening services. Jack Hart was in charge of this project, and took programs to several churches during the year.

An attempt was made by the committee this year to lay the foundation for the organization of some type of Christian organization for students in the next year or so.

Other student members of the committee are: Jack Dunnell, Eunice Heidemann, Lee Ellison, Betty Allen, and Walter Walker.

SIGMA ALPHA IOTA

President	EVELYN TIMMONS
Vice-President	DORIS COPE
Secretary	JACQUELINE MATHEWS
Treasurer	EUNICE HEIDEMAN

The SAI's began their rushing this year with a candy cane party held at the Conservatory. The Rose Tea followed later in the fall and finally the pledging of the girls. Exchange parties with the Phi Mus were among the activities this year and last of the social events was the Rose Ball held at The Orlando early in the spring.

Musically, the SAI's have been very active owing to the talents of its members. Monthly musicals were held; several of the girls were soloists for the Messiah which was presented at Christmas and many fine recitals were given by the juniors and seniors.

The Senior dinner, the Panhellenic Sing and the Senior Farewell service concluded another successful year for Sigma Alpha Iota.

PHI MU ALPHA

The rhythmic tapping of feet and the smooth swaying of bodies can mean but one thing—the band of Phi Mu Alpha. This organization has certainly fulfilled the expectations of a well planned year. Besides their activities, the men have organized a band under the direction of William R. Fischer. This band played for dances held in the Main Hall and also presented a full length program in Assembly. They also played for a few outside dances.

New officers for this year were: President, Joe Bearden; Vice-President, Bruce Hayden; Secretary, Preston Hott; Treasurer, William R. Fischer; Historian, Art Munsen; Warden and Pledge Master, Barry Gay. The faculty advisor was Mr. Howard Akers.

CONANT SOCIETY

President ....HOPE C. NANSEN
Vice-President ....ELSIE BRANNOM
Secretary..........MARY CATHERINE P'SIMER
Treasurer ....ELAINE REEDY
Faculty Advisor..............DR. B. L. FRYXELL

Conant Society is an organization composed of English majors and minors and a few selected upper classmen. The organization was named for Grace Patten Conant, former English professor at Millikin.

At the first meeting, Conant Society introduced the new members and acquainted them with the traditions and future plans of the organization. The Christmas program was presented by several of the talented members, and the traditional English tea, wassail, was served.

Dr. L. C. McNabb gave the society a very interesting and delightful glimpse into the backstage workings of the theater at the January meeting. Dr. N. F. Doubleday spoke to the club at the April meeting.

Again, this year as last, the society sponsored another of Clare Tree Major's productions of a Shakespearean drama. The "Merchant of Venice" was successfully presented on the evenings of February 17 and 25 to capacity audience.

The year was closed with a picnic at the Fryxell home on the lake.

FRENCH CLUB

Le Cercle Francais is composed of students of the second and third year French classes. It is affiliated with the Federation of L'Alliance Francaise. The meetings are conducted in French and all members are required to speak in that language as much as possible.

The program for the year included a French film showing the work now being done by the Secours Francais, similar to our Red Cross, administering to the people of the stricken areas of France as a result of the war. A recorded French play was presented enabling the students to hear the language as it is spoken by the native Frenchmen. French games were played and French songs were sung at all the meetings.

Several luncheons were held and the conversation was entirely in French, thus enabling everyone to make practical use of the language. By hearing the language spoken and conversing in it, all the members were able to improve their accents and add some new words to their vocabularies. These luncheons were enlivened by word games where everyone was given the opportunity to make some contribution of his knowledge of the French language and customs.

The officers of Le Cercle Francais were: William R. Moomey, president; Barbara Jo Hinds, vice-president; June Bruce, vice president; Peg Hurley, secretary; and Claude Price, treasurer.

The advisors of the club are Miss Bonnie Blackburn and Miss Flora Ross.

In March, an International Night was held for all the language students, and the Spanish Club presented several musical numbers and Mexican dances.

The Christmas season was celebrated with the traditional fiesta and pinata.

A picnic at Fairview Park brought the activities of the club to a climax for the year.

Farther back on campus near the gymnasium and surrounding territory the men's barracks house out of town new students, and study facilities are provided. The SAE's were entertained in true "navy" form aboard the "S. S. Sig-Arrow" October 4. On October 11, the Delta Sigs were invited to the Pi Phi Graveyard for a dance amid tombstones and skeletons, and the first of November found the TEK's at a "pirate" exchange.

Chaperone—Mrs. May Price

This fall Theta U. presented their new house and housemother at an Open House Tea in October.

The first semester we had two exchanges, with the Tekes and the Delta Sigs. The second semester completed the exchanges with the one given for the SAE's.

Homecoming was nice this year. Many of our alumnae were back to help J.M.U. celebrate the first postwar Homecoming. We had open house on Saturday with a dinner for the active chapter and alumnae. Our float for the Homecoming parade used the theme "We Will Sail Through." Bettye Dillow was chosen representative for Queen. All of the Queen's Court rode on a special float.

We held our Christmas Dinner Dance in the Venetian Room at Hotel Orlando, December 6th, with Johnny Moreland's Sextette playing for the dancing. The Christmas theme was carried out largely through bells and evergreens.

Founder's Day was celebrated by a dinner at the Decatur Club. After dinner we had traditional candle lighting ceremony honoring our founders.

Spring was fully ushered in by our Spring Dinner Formal, May 2. It was held in the Ballroom at Hotel Orlando. The decorations followed the theme "Daisies Won't Tell," complete with a wishing well and garden swing.

The proper ending for a full year comes with Family Day. This is a splendid chance to get re-acquainted and finish the year right.

ZETA TAU ALPHA

Officers of Z. T. A. installed in March were:

President	Marian Menk
Vice-President	Jean Rule
Secretary	Patta Crain
Treasurer	Jean Cornwell
Historian	Mary Shimer

The Zetas started a very successful year with an open house in the new home for faculty members and social organizations. This was followed by many exchange parties and dances to make a full social calendar. The Christmas formal was held in the Hotel Orlando Ballroom with Jack Coombe's Orchestra playing for dancing.

Zeta was outstanding in campus activities this year. *Pat Patrick* was listed in "Who's Who in American Colleges and Universities," and was also secretary of the Student Council for the first semester. *Betty Shumate* was president of Tau Chi Pi. *Elsie Branom* and *Pat Patrick* were president and secretary of the Chapel

Committee. *Joan Meisner* was president of Pi Kappa Delta, and *Jane Barr*, secretary. *Elsie Branom* was vice-president of Conant Society. *Patsy Shumate* was secretary of W. A. A. Zeta girls held three offices in the SAI pledge class. *Jean Cornwall* was elected to the student council for second semester.

Joan Meisner and *Jane Barr* were representatives for Millikin at the National Pi Kappa Delta Forensic Debates at Bowling Green University, Bowling Green, Ohio.

June Figge and *Alice Horecky* held leading parts in Town and Gown productions: "I Remember Mama," and "The Barretts of Wimpole Street." *June Figge* was also re-elected cheerleader. *Joan Meisner* served as news editor of the Decaturian.

A Valentines party, which is to be an annual affair, was held in the chapter house, February 15. The Spring Formal and dinner-dance was given at the Scovill Country Club on April 26, with Lou Hahn's orchestra playing. The decorations were of Spring flowers.

The annual Farewell Dinner was held for the Seniors in the chapter house on May 17th.

DELTA SIGMA PHI

The housing situation gave the Delta Sigs a bad time at the beginning of the semester as the war-time tenants didn't move out until after the fall semester started. In a few weeks, however, the house was jumping as in pre-war days. The semester started with Jim Williams, president; Bill Burdick, vice-president; Melvin Grabowski, secretary; Red Roy, treasurer; and Toby Althoff, sergeant-at-arms.

Not having a house was a handicap for rushing, but after a series of smokers at the Delta Sig barracks on the campus, the St. Nick, and a dance at the Orlando, the fellows had to call on neighboring chapters and send frantic telegrams to secure enough pledge pins. A dinner was held at the Decatur Club for the new pledges with Alum President, "Skinny" Taylor as toastmaster and with short talks by Coach Wells, faculty adviser, and Coach Lindeberg. This was followed a few days later by formal pledging at the Hotel Orlando, and a dance at the Staley Clubhouse.

Homecoming season rolled around and all those big plans for the first homecoming after the war were realized. Alums from far and near showed up and the banquet at the Orlando proved to be quite a big reunion.

The pledges had a dance for the active chapter at the Illini and in the opinion of many it was second to none. The Delta Sigs joined the other Greeks for the Panhellenic Ball on Nov. 15th and on December 7th the fraternity had its annual Christmas formal at the Orlando with music by Johnny Piersol's orchestra from Indianapolis.

At the end of the first semester the following new officers were elected: Frank Schiltz, president; George Gillmore, vice-president; Denny Pease, secretary; Jim Keris, treasurer; and Jerry Brewer, sergeant-at-arms.

Initiation for 37 men was held on Feb. 16th and a week later 15 new men were pledged. The Delta Sigs joined with the SAE's and TKE's in sponsoring a banquet in honor of the basketball team and also in sponsoring an inter-fraternity dance in March. The spring formal or "Sailors Ball" in May wound up the social calendar for the fraternity. Throughout the year there were many most enjoyable exchange parties with the sororities on campus. The Delta Sigs could usually be found on all the teams. The German Band that Jerry Brewer worked up at the house and appeared at so many of the games won quite a name for itself on campus.

This proved to be a banner year for Delta Sig and provided much fun, many fond memories, and lasting friendships for those who will be leaving.

After taking a clean sweep of the intramural titles in the spring and winter of '46, the S.A.E.'s started the fall off on the right foot by copping the football championship. The speedball trophy came next, and as yet, the outcome of the other sports is not known. The largest pledge class in the history of the chapter gave a bang-up pledge dance at the Scovill Country Club, October 18. This was followed about a month later by the traditional Hobo Dance, held at the St. Nicholas Hotel. Led by the creative "genius" of *Phil Pearce*, the Sig Alphs decorated the house so well it took first prize in the Homecoming decorations. At Christmas time, the S.A.E.'s held a party for the boys at the Boys' Opportunity Home, after having entertained them during the fall. The Spring was filled with every sort of activity, and the Spring Formal climaxed a very full and eventful year. As usual, the Sig Alphs were right in the middle of all of the activities.

Beta chapter of Tau Kappa Epsilon began the semester with plans for extensive remodeling of the chapter house at 1225 W. Main. Redecorating was completed by March 15, and the house now has a new living room, chapter room, and dormitory as well as three additional study rooms. Five Hundred guests attended the TKE open house on Sunday, April 24th.

"Harvest Hop," the annual TKE fall dance was October 5th at the Illinois Power Club rooms with Johnny Moreland's orchestra. A "Kiddies Party" was given the actives by the new Teke pledges, November 10th at the Orlando ballroom. Another outstanding November event was a potluck at the Staley Club house, given by the Triangle Club, Teke mother organization.

The biggest social event of the first semester for the Tekes was the Christmas formal-dinner dance, which was held at the Scovill Club house with Jack Coombe's orchestra playing.

Forty-eight years of Tekedom was celebrated by Beta Tekes who attended a Founder's Day Dinner as guests of Alpha chapter at the Lincoln Hotel in Bloomington, Illinois, on January 10.

Second semester began with the pledging of 24 men in formal exercises followed by dinner at the Scovill Club house. In May, the Tekes had an informal record dance and a May breakfast in Fairview Park.

"Festival of the Red Carnation" Tau Kappa Epsilon Spring Formal ended the semester with a buffet-dance at Scovills.

Both teams were undefeated, but Millikin, with a 6-0 record holds a slight edge over Lake Forest, who had a 5-0 final standing. North Central College, losing two out of seven contests, was second place winner. Coach Lindberg coached the baseballers from Millikin.

HOMECOMING

The coronation of the Homecoming Queen was held at the intermission between halves of the football game. Miss Hortenstine attended by her court of five charming young ladies was crowned by one of Millikin's own alumna, Anna Mary Dickey. Later that evening the Queen reigned on her throne, highlighting the festivities of the Homecoming dance.

After the various organizations spent early morning decorating cars and trucks, the traditional Homecoming Parade was begun at twelve o'clock. The half-mile caravan left Main and Oakland Streets, and showed the people of Decatur that they were really behind their Alma Mater. Pi Beta Phi sorority was chosen by the judges to have the best float. Sigma Alpha Epsilon fraternity was selected for having the best house decorations this year.

J.M.U.'s pep rally, pictured below, got off to a blazing start and set off the spark for Millikin's traditional Homecoming spirit. The spirit with which the Big Blue downed Illinois College for victory.

Talent

Dramatics and Music

The fine arts and their pursuit shall not be neglected on this playbill. Town and Gown, choir and orchestra, and the exuberant talent that displays itself in our wide halls, are here presented for your observation and judgment.

TOWN AND GOWN

The Barretts of Wimpole Street, classic of the theater, was presented by Town and Gown Players on March 14th and 15th, 1947.

The play was not released for amateur production until early in January, 1947, and for this reason, Town and Gown can be counted as one of the first amateur groups to produce it. This, in itself, is another laurel for Dr. L. C. McNabb and Town and Gown.

Katherine Cornell created the role of Elizabeth in the original stage play. Bette Davis took the role in the movie version. And Alice Horecky portrayed Elizabeth in the T.& G. production. The cast was as follows:

Doctor Chambers	Richard Willhite
Wilson	Roberta Oplinger
Harrietta Moulton-Barrett	June Figge
Arabel Moulton-Barrett	Carolyn Hendrix
Octavius Moulton-Barrett	John Bowers
Septimus Moulton-Barrett	Walter Walker
Alfred Moulton-Barrett	George Gillmore
Charles Moulton-Barrett	Theodore Farmer
Henry Moulton-Barrett	Robert Garvin
George Moulton-Barrett	John Fink
Edward Moulton-Barrett	Lynn Woolen *(Town)*
Bella Hedley	Beverly McMillan
Henry Bevan	Robert Graves
Robert Browning	Herbert Joys
Docter Ford-Waterlow	Denny Pease
Captain Sutees Cook	Creighton Lewey
Flush	"Cookie" Williams

This play was a romantic drama in five acts set during the Elizabethan Period in England.

Honors in the three leads were almost evenly divided, but to Alice Horecky, as Elizabeth, goes top billing. Herbert Joys however, both portrayed and presented the cavalier—Robert Browning. Lynn Woolen, lone Town player, ably presented the difficult role of the stern, obsessed "Papa" of the Barrett household.

Flush, the black spaniel, was very theatrical and seemed to sense his presence in the play. In private life, he is Cookie Williams of Campus Town.

The entire cast deserves commendation for making the whole play a smooth, well-rounded production.

"I REMEMBER MAMA"

Alice (Rolly) Horecky, who did so well as the nurse in the Town and Gown presentation of "The Hasty Heart" last year, added another success to her record, as Mama in Kathryn Forbe's story of a Norwegian family presented by Town and Gown Players on November 5th and 6th, 1946.

The Cast included:

Katrin	June Figge
Papa	Robert Garvin
Christine	Barbara Hall
Dagmar	Nancy Comer *(Town)*
Mr. Hyde	Herbert Joys
Nels	Robert Carter *(Town)*
Aunt Trina	Elizabeth Schmalfuss
Aunt Sigrid	Roberta Oplinger
Aunt Jenny	Martha Reid
Uncle Chris	Richard Willhite
A Woman	Doris Lee Ellison
Dr. Johnson	Dr. William A. Meis *(Town)*
Mr. Thorkelson	John Bowers
Arne	Robert Cook
A Nurse	Carolyn Hendrix
Another Nurse	Betty Schisler
Soda Clerk	Robert Keener
Madeline	Janet Westlund
Dorothy Schiller	Beverly McMillan
Florence Dana Moorhead	Vivian Barnes
Bellboy	Charles Frankel
Scrubwoman	Loudena Trimmer

This play was a story of a Norwegian family with many children, living in San Francisco, and was told by one of the young daughters with a talent for writing. This ingenue part was played by June Figge.

Congratulations go to Dr. L. C. McNabb, T.& G.'s able director, for a really successful production. Though congratulations are deserved in many ways, they should be expressed especially for the excellent example of casting.

Robert Hodges and Jacqueline Mathews are to be commended for their organization in arranging the complicated workings of the twenty-nine scene changes required by the script. These scenes took place in the 1860's and Beverly Woare was quite successful in finding costumes of that period.

So, another play is set down on Town and Gown's ledger of events and the big word "success" written beside it. Dr. McNabb's Town and Gown Players, under his direction, have scored another hit!

CHOIR

The Millikin choir, under the direction of William R. Fischer, has had a very successful year. The enrollment of 100 was the largest group for many years. The choir appeared in Chapel throughout the year, and besides the Messiah, the choir presented its Annual Laboratory Choir Concert. Selections by unknown composers for women's voices, women's or mixed voices with accompaniment, and mixed voices, were submitted to a committee of judges, who chose the most outstanding selection in each group. These three selections and other works entered in the contest were presented in Albert Taylor Hall on March 16, to an audience of town people and students. The soloists in this concert were Doris Danni, Jeritza Garland, Alice Hortinstein, Alice Weidner, and Shirley Lindros.

The choir trip, most exciting event of the year, was cancelled due to the lack of transportation and housing accommodations, but thoughts of the coming years are always present.

A special tribute goes to Mr. Fischer for without his interest and loyalty, the choir would never have succeeded in all it undertook. A lot of work went behind each performance and Mr. Fischer's ever present sense of humor and understanding nature were assets and inspirations to all who worked under him. Great credit should be given to the choir and Mr. Fischer for a triumphant year.

THE ORCHESTRA

The Orchestra, under the baton of Mr. Howard Akers, had an enrollment of 35, with a definite lack of string instruments. Due to this lack, the Orchestra preferred to play for only small performances until the time came that they could be properly represented. The accompaniment for the Messiah and Ruth Doelling's senior recital were the main performances for the year. They also played for plays and such programs.

Mr. Akers hopes for a definite improvement next year with the addition of more stringed instruments. He has worked very hard to build up the Orchestra and he has helped it on its upward journey. A lot of praise and respect goes to Mr. Akers and the orchestra for the good work they have done this year towards ultimate success.

CONCERT BAND

This year the band started out with only twenty-five members, but due to a rousing advertising campaign which attracted many fine musicians, they ended the year with an enrollment of fifty-eight members with good instrumentation.

Friday, February 28, 1947, was the night of the winter concert, and despite the fact that the weather was bad the band played to a full house.

The main purpose of the band is concert work, but they also participate in other activities. Mr. Howard Akers, the director, has high hopes of securing new equipment which will enable the band to do even finer work in the future.

THE MESSIAH

On December 19, 1946, the Millikin choir presented the Messiah, in part, under the capable direction of William R. Fischer. Lack of rehearsal time made it necessary to omit several of the selections. The performance was attended by a majority of town people which made it necessary to give a repeat performance in Chapel for the benefit of the student body. There were a large number of solo parts and those in solo positions were Alice Weidner, Doris Danni, Betty Lou Kriege, Alice Hortinstein, Elinor Goodrich, Shirley Lindros, Caroline Adams, Warnie Tippett, Hugh Mullins, Stanley Kimes, and Art Munson. The accompaniment was played by Esther Farrell, at the piano, and the orchestra, also under the direction of Mr. Fischer. During the performance, records were made which were later played over Station WSOY. It was an outstanding performance, one that was appreciated greatly.

KAPPA SOCIETY

Kappa Society is an honorary scholastic organization which limits its membership to seniors who maintain at least a 3.5 average during their entire college course.

Hope Nansen, having an average of 3.7, was the only student elected to Kappa Society this year. Besides studying, Hope found time to take part in numerous extra-curricular activities, both on and off campus, in the four years she spent at J. M. U. In addition to playing in the band and orchestra and singing in a church choir, she served as secretary of the Indees, president of Spanish Club, and state vice-president of Pilgrim Fellowship, a Congregational young people's group. She was a member of W.A.A., chapel committee, Aston Hall Council, Student Council, and Conant Society. This year she was chosen as a subject for "Who's Who in American Universities and Colleges."

WHO'S WHO

"Who's Who in American Universities and Colleges" is a biographical dictionary of outstanding students enrolled in the higher educational institutions in the United States. Candidates, who must be classified as juniors or seniors, are nominated by the Student Council and chosen by the Executive Board on the basis of scholarship, activities, leadership, character, and future usefulness to society.

Congratulations to Millikin and to the class of 1947, first to be graduated in what we believe is a new era for our university. Our hearts are lifted to see young men on the campus and in the classrooms, following their absence in the service of our country during the war.

We recognize that in the years to come, the wants of you young men and women who are university trained will directly and indirectly influence the distributive picture of our community and of our nation, leading to the creation of new markets and new jobs. In both of these you will share. Our sincere good wishes go with you to achieve the high goals you have set.
